Box 111, Batavia, New York 14021 ("Company").

### WITNESSETH:

WHEREAS, the Agency was created by Chapter 390 of the Laws of 1972 of the State of New York pursuant to Title 1 of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, the Company has submitted an application (the "Application") to the Agency, a copy of which is on file with the Agency, requesting the Agency's assistance with respect to a certain project (the "Project") consisting of: (i) the acquisition by the Agency of a leasehold or other interest in certain real property located at 73-77 Franklin Street, City of Batavia, Genesee County, New York, being three (3) parcels of land to be merged into one (1) parcel to be known and identified as tax map number 84.014-2-6.1 (the "Land") and the existing improvements thereon, consisting principally of an existing residential home (the "Existing Improvements"), (ii) the demolition of the Existing Improvements, the construction of an approximately 7,158 square-foot warehouse with loading docks, and the installation of some paved surfaces (the "Improvements"), and (iii) the acquisition and installation by the Company in and around the Improvements and the Existing Improvements of certain items of machinery, equipment and other tangible personal property (the "Equipment" and, collectively with the Land, the Existing Improvements and the Improvements, the "Facility"), all to be used to store lumber and other building materials to better serve customers throughout Genesee County, New York; and

WHEREAS, by Resolution adopted on March 29, 2018 (the "Resolution"), the Agency authorized the Company to act as its agent for the purposes of undertaking the Project subject to the Company entering into this Agent Agreement; and

WHEREAS, by the Resolution, the Agency approved certain benefits and financial assistance in connection with the Project consisting of: (a) an exemption from all New York State and local sales and use tax for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction, renovation or equipping of the Facility; and (b) a partial abatement from real property taxes benefit conferred through a certain Tax Agreement, dated as of February 1, 2019 (the "Tax Agreement") requiring the Company to make payments in lieu of taxes for the benefit of each municipality and school district having taxing jurisdiction over the Project

(collectively, the sales and use tax exemption benefit and the partial abatement from real property taxes benefit, are hereinafter referred to as the "Financial Assistance"); and

WHEREAS, pursuant to and in accordance with Sections 859-a and 874 of the Act, the Agency requires, as a condition and as an inducement for it to provide the Financial Assistance, that the Company enter into this Agent Agreement for the purposes of, among other things, governing administration of, and providing assurances with respect to, the provision and recapture of said Financial Assistance upon the terms herein set forth; and

WHEREAS, this Agent Agreement sets forth the terms and conditions under which the Financial Assistance shall be provided to the Company; and

WHEREAS, no agent status in favor of the Company or any subagent thereof, nor any amount of Financial Assistance shall be provided to the Company by the Agency prior to the effective date of this Agent Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Purpose of Project and Scope of Agency. The purpose of the Agency's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the undertaking of the Project to advance job opportunities, health, general prosperity and economic welfare of the people of Genesee County, New York, and to specifically promote the investment, employment and other commitments of the Company contained herein and in the Company's Application.

Pursuant to the Resolution, the Agency has appointed the Company as agent to undertake the Project. The Company hereby agrees to limit its activities as agent for the Agency under the authority of the Resolution to acts reasonably related to the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation thereof in and around the Facility. Pursuant to the Resolution and this Agent Agreement, the Company has the power to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses including but not limited to the individuals and entities described on Schedule A attached hereto (collectively, the "Subagent"). The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent of the Agency. The Company's right to appoint subagents is expressly conditioned upon updating Schedule A attached hereto, along with the timely filing of Form ST-60 (non-primary) for each subagent, with such updated Schedule A and a copy of and proof of filing of such Form ST-60 (non-primary) being immediately filed with the Agency. The right of the Company and all duly appointed subagents to act as agent of the Agency shall expire on December 31, 2019, unless extended as contemplated by the Resolution. The aggregate amount of work performed by the Company and all subagents as agent for the Agency shall not exceed the amounts identified in the Resolution and Section 2(h)(i) of this Agreement.

All contracts entered into by the Company and all subagents thereof as agent for the Agency shall include the language contained in Schedule B attached hereto. **Failure by the Company and/or any subagent thereof to include such language shall disqualify the agent status and sales and use tax exemptions derived by virtue of this Agent Agreement. The Company, for itself and on behalf of all duly appointed subagents, hereby agrees that all contracts entered into by the Company and any subagents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.**

2. Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project:

(a) The Company is a corporation duly formed, validly existing and in good standing under the laws of the State of New York, has the authority to enter into this Agent Agreement, and has duly authorized the execution and delivery of this Agent Agreement.

(b) Neither the execution and delivery of this Agent Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agent Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, and building laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Agent Agreement.

(e) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility, (ii) that the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon

receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand.

(f) Any personal property acquired by the Company in the name of the Agency shall be located in Genesee County, New York, except for temporary periods during ordinary use.

(g) In accordance with Section 875(3) of the Act, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to a Recapture Event Determination (as such term is hereinafter defined) resulting in the potential recapture and/or termination of any and all Financial Assistance, as described below, if the Company receives, or any duly appointed subagents receives any Financial Assistance from the Agency, and it is determined by the Agency that (each a "Recapture Event Determination"):

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(2) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the Application or supporting documentation false or misleading in any material respect; or

(5) the Company fails to meet and maintain the following thresholds and requirements:

(i) The Company recognizes and acknowledges that the Agency is entering into this Agent Agreement based in part on representations made by the Company in its Application to the Agency, dated on or about March 13, 2018, regarding job creation and retention at the Facility.

(ii) For the purposes of this Agent Agreement, "Full-Time Equivalent Employee" shall mean, with respect to any specific date or period, a person or persons directly employed on such date or during such period by the Company

(inclusive of its affiliates, tenants and other occupants and users of the Facility), and who shall on such date or for such period have carried out the terms of such employment on a "full-time equivalent basis" at the Facility; "full-time equivalent basis" shall mean a person or persons who shall on an aggregate basis work at least thirty-five (35) hours per week, or one hundred and forty (140) hours per month which shall be measured on a quarter annual basis.

(iii) The Application represents that, for the purpose of this Agent Agreement, the Company intends to employ and maintain for the term of the Tax Agreement, a workforce of no less than twenty-nine (29) Full-Time Equivalent Employees which in the aggregate shall work on a full-time equivalent basis at the Facility, as of December 31, 2021, with twenty-nine (29) of such positions being retained and three (3) of such positions being created.

(iv) The Company is required under this Agent Agreement and hereby agrees to submit a copy of quarterly NYS-45 reports, and any other reports required by the Agency to evidence the employment commitment.

(v) If it is determined upon review of the Annual Report (as such term is defined below) that the number of Full-Time Equivalent Employees at the Facility is less than what was represented in the Application, the Agency shall have the right to require the Company pay to the Agency for the benefit of the Affected Tax Jurisdictions (as such term is defined in the Tax Agreement) an amount equal to the benefits provided hereunder and any sales tax, real property tax and mortgage tax exemptions, if any, provided by the Agency to the Company in connection with the Project.

(vi) In addition, in the event that (i) the Company closes or sells/transfers the Facility without the consent of the Agency; (ii) the use of the Facility or contemplated business activities at the Facility are materially changed or modified; (iii) there is a material non-compliance by the Company with the Lease Agreement (as such term is hereinafter defined), the Leaseback Agreement (as such term is hereinafter defined), the Tax Agreement or any other agreement with the Agency or any state or federal law or regulation, the Agency shall have the right to require the Company pay to the Agency for the benefit of the Affected Tax Jurisdictions an amount equal to the benefits provided hereunder and any sales tax, real property tax and mortgage tax exemptions, if any, provided by the Agency to the Company in connection with the Project.

In order to certify and verify the foregoing, the Company or the tenant shall annually complete and submit to the Agency the Annual Certification Report in the form attached hereto as **Exhibit F** (the "Annual Report"). **Failure by the Company to complete and submit said form to the Agency by February 15 of each year commencing as of February 15, 2019, shall constitute an Event of Default hereunder, whereby the Agency, in its sole and absolute discretion, may terminate this Agent Agreement and/or the Tax Agreement and recapture any or all Financial Assistance.**

If the Agency makes a Recapture Event Determination, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate Affected Tax Jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner and/or local taxing authorities may assess and determine the Financial Assistance due from the Company, together with any relevant penalties and interest due on such amounts.

(h) The Company further: (i) covenants that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes are estimated in an amount up to **\$204,000.00**, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency, subject to Section 2(g) of this Agent Agreement, cannot exceed **\$16,320.00** and (ii) confirms that real property tax abatement benefits to be provided to the Company shall conform to those contained within the Tax Agreement, the terms of which comply with the Agency's Uniform Tax Exemption Policy; or, to the extent the terms deviate from the Agency's Uniform Tax Exemption Policy, the Agency has complied with procedures for deviation.

(i) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as **Exhibit A**, for each Subagent, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(j) The Company acknowledges and agrees that all purchases (except for qualifying purchases of fuel) made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, a copy of which is attached hereto as **Exhibits B-1** and **B-2**), and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form ST-123.

The Company acknowledges and agrees that qualifying purchases of fuel made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate for Fuel" (NYS Form FT-123, a copy of which is attached hereto as **Exhibits G-1** and **G-2**), and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form FT-123.

The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill or invoice should state:

"I, [NAME OF COMPANY \_\_\_\_\_] OR SUBAGENT \_\_\_\_\_], certify that I am a duly appointed agent of Genesee Lumber Co., Inc. and that I am purchasing the tangible personal property or services for use in the Genesee Lumber Co., Inc. Project located at 73-77 Franklin Street, City of Batavia, Genesee County, New York (being more particularly identified as tax map identification number 84.014-2-6.1), being IDA OSC Project Number **1801-18-04A**".

For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as **Exhibit B-3**) can be utilized for record keeping purposes.

(k) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as **Exhibit C**) regarding the value of sales and use tax exemptions the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with Section 874(8) of the Act. The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency; provided, however, in no event later than February 15<sup>th</sup> of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent of the Agency.

(l) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(m) The Company covenants and agrees that it will (i) maintain its existence and not dissolve, (ii) continue to be a corporation subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets. This Agent Agreement may not be assigned in whole or part without the prior written consent of the Agency.

(n) The Company confirms and acknowledges under the penalty of perjury that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Agency in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and regulations. The Company agrees that it will, throughout the term of this Agent Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other governments, departments, commissions, boards, companies or associations insuring the premises, courts, authorities,

officials and officers, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to any use, manner of use or condition of the Facility or any part thereof. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2(n). In such event, the Company, with the prior written consent of the Agency (which shall not be unreasonably conditioned, delayed or withheld) may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency shall notify the Company that it must comply with such requirement or requirements.

3. Hold Harmless Provision. The Company hereby releases the Agency from, agrees that the Agency shall not be liable for, and agrees to indemnify, defend and hold the Agency and its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns harmless from and against, any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or breach by the Company of this Agent Agreement or (ii) liability arising from or expense incurred by the Agency's financing, acquiring, constructing, rehabilitating, renovating, equipping, owning and leasing of the Equipment or of the Facility, including without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its respective executive director, directors, members, officers, agents or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct or gross negligence on the part of the Agency or any other person or entity to be indemnified.

4. Insurance Required. Effective as of the date hereof and until the Agency consents in writing to a termination, the Company shall maintain or cause to be maintained insurance against such risks and for such amounts as are customarily insured against by businesses of like size and type and paying, as the same become due and payable, all premiums in respect thereto, including, but not necessarily limited to:

(a) (i) Insurance against loss or damage by fire, lightning and other casualties, with a uniform standard extended coverage endorsement, such insurance to be in an amount not less than the full replacement value of the Facility, exclusive of excavations and foundations, as determined by a recognized appraiser or insurer selected by the Company or (ii) as an alternative to the above requirements (including the requirement of periodic appraisal), the Company may insure the Facility under a blanket insurance policy or policies covering not only the Facility but other properties as well. Such insurance shall have a commercially reasonable deductible.

(b) Workers' compensation insurance, disability benefits insurance, and each other form of insurance which the Agency or the Company is required by law to provide, covering loss

resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Facility.

(c) Insurance against loss or losses from liabilities imposed by law or assumed in any written contract and arising from personal injury and death or damage to the property of others caused by any accident or occurrence at the Facility, with limits of not less than \$1,000,000 per accident or occurrence on account of personal injury, including death resulting therefrom, and not less than \$1,000,000 per accident or occurrence on account of damage to the property of others, excluding liability imposed upon the Company by any applicable workmen's compensation law; and a blanket excess liability policy in the amount not less than \$3,000,000, protecting the Company against any loss or liability or damage for personal injury or property damage.

5. Additional Provisions Respecting Insurance. (a) Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall provide for payment of the losses of the Company and the Agency as their respective interests may appear. The Company shall cause all contractors and agents of the Company undertaking the Project to carry and provide evidence of insurance as required within Section 4(a) and 4(b) of this Agent Agreement, with the Agency named as an additional insured.

(b) All such certificates of insurance of the insurers indicating that such insurance is in force and effect, and all policies (if applicable), shall be deposited with the Agency on the date hereof. At least thirty (30) days prior to expiration of the policy evidenced by said certificates, the Company shall furnish the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agent Agreement.

6. This Agent Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

The Company further covenants and agrees that the Company is liable for payment to the Agency of all charges referred to above, as well as all

other actual costs and expenses incurred by the Agency in undertaking the Project notwithstanding the occurrence of any of (i) the Company's withdrawal, abandonment, cancellation or failure to pursue the Project; (ii) the inability of the Agency or the Company to procure the services of one or more financial institutions to provide financing for the Project; or (iii) the Company's failure, for whatever reason, to undertake and/or successfully complete the Project.

## Instructions

### To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

**Agent or project operator sales tax ID number** — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

*Industrial development agencies and authorities (IDAs)* are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

*Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.*

*Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.*

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

### Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

### Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

### To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

## Instructions

### General information

#### Who must file

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person **directly** appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operators directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operators should **not** themselves file Form ST-340. However, the agent/project operators must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

#### What you must report

The report must show the **total value** of all state and local **sales and use taxes exempted** during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions the agent/project operator (you) obtained; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

Include only the **total combined** exemptions obtained by the above people. A breakdown of the total is not required. However, since the report must include the value of the exemptions they obtained, you must keep records of the amounts others report to you.

You must make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available, so that you can comply with the annual reporting requirements.

Do not include on this report the amount of any sales and use tax exemptions from other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

#### When the report is due

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

#### Project information

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.

**Name of IDA agent/project operator:** Enter your name, address, employer identification number (EIN), and telephone number.

**Name of IDA and IDA project number:** Enter the name and address of the IDA. If more than one IDA is involved in a particular project, you must file a separate report for the tax exemptions attributable to each IDA. Also enter the ID project number.

**Name of project:** Enter the name of the project and the address of the project site. If you are involved in more than one project, you

must file a separate report for each project, even if authorized by the same IDA.

**Date project began:** Enter the date the project started (this means the earliest of the date of any bond or inducement resolution, the execution of any lease, or any bond issuance). Include month, day, and year.

**Completion date of project:** Enter the date installation, lease, or rental of property (for example, machinery or computers) on the project ended, or the date the project is expected to be completed. Mark an **X** in the appropriate box to indicate if the date entered is actual or expected.

**Total sales and use tax exemptions:** Enter the total amount of New York State and local sales and use taxes exempted during the reporting period as a result of the project's receipt of IDA financial assistance (*if none, enter 0*). This includes exemptions obtained at the time of purchase, as well as through a refund or credit of tax paid. # Instructions

## To the purchaser

You may use Form FT-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from excise taxes and sales and use tax as described in the IDA contract.

You may use Form FT-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

**Agent or project operator sales tax ID number** – If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

*Industrial development agencies and authorities (IDAs)* are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases. However, IDAs do not normally make direct purchases for projects. Commonly, an IDA instead appoints a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax. Purchases made by an agent or project operator to operate a business after the project is completed are subject to tax.

**Example:** *An IDA agreement with its agent, Contractor X, states that Contractor X may make all purchases of materials and equipment necessary for completion of the project as agent for the IDA.*

*Contractor X purchases non-highway diesel motor fuel for use in construction equipment that will be used to prepare the site for construction. Since the fuel is being used to complete the project, Contractor X may purchase the fuel exempt from taxes.*

*When the project is completed, Contractor X purchases motor fuel and highway diesel motor fuel for use in snowplows and other maintenance vehicles used to maintain the parking lots for the business. Contractor X may not purchase this fuel exempt from tax because it is being used to operate, not to complete, the project.*

## Exempt purchases

To qualify for exemption, the purchases must be made within the authority granted by the IDA and used to **complete** the project, but not to **operate** the completed project.

**Box A** – *Motor fuel* is gasoline, benzol, reformulated blend stock for oxygenate blending, conventional blend stock for oxygenate blending, E85, fuel grade ethanol that meets the ASTM International active standards specification D4806 or D4814, or other product which is suitable for use in the operation of a motor vehicle engine. If you are purchasing motor fuel exempt from tax, mark this box.

**Box B** – *Highway diesel motor fuel* is any diesel motor fuel that is **not** non-highway diesel motor fuel. If you are purchasing highway diesel motor fuel exempt from tax, mark this box.

**Box C** – *Non-highway diesel motor fuel* is any diesel motor fuel designated for use other than on a public highway, and is dyed diesel motor fuel. If you are purchasing non-highway diesel motor fuel exempt from tax, mark this box.

*Diesel motor fuel* is No. 1 diesel fuel, No. 2 diesel fuel, biodiesel, kerosene, fuel oil, or other middle distillate, and also motor fuel suitable for operating a diesel engine. Diesel motor fuel does not include any product specifically designated "No. 4 diesel fuel."

**Box D** – *Residual petroleum product* means the topped crude of refinery operations, including No. 5 fuel oil, No. 6 fuel oil, bunker C, and the special grade of diesel product designated as No. 4 diesel fuel, that is not suitable for use in the operation of a motor vehicle engine. If you are purchasing residual petroleum product exempt from tax, mark this box.

## Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

## To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

## Instructions

### To the purchaser

You may use Form FT-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from excise taxes and sales and use tax as described in the IDA contract.

You may use Form FT-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

**Agent or project operator sales tax ID number** – If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

*Industrial development agencies and authorities (IDAs)* are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases. However, IDAs do not normally make direct purchases for projects. Commonly, an IDA instead appoints a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax. Purchases made by an agent or project operator to operate a business after the project is completed are subject to tax.

**Example:** *An IDA agreement with its agent, Contractor X, states that Contractor X may make all purchases of materials and equipment necessary for completion of the project as agent for the IDA.*

*Contractor X purchases non-highway diesel motor fuel for use in construction equipment that will be used to prepare the site for construction. Since the fuel is being used to complete the project, Contractor X may purchase the fuel exempt from taxes.*

*When the project is completed, Contractor X purchases motor fuel and highway diesel motor fuel for use in snowplows and other maintenance vehicles used to maintain the parking lots for the business. Contractor X may not purchase this fuel exempt from tax because it is being used to operate, not to complete, the project.*

### Exempt purchases

To qualify for exemption, the purchases must be made within the authority granted by the IDA and used to **complete** the project, but not to **operate** the completed project.

**Box A** – *Motor fuel* is gasoline, benzol, reformulated blend stock for oxygenate blending, conventional blend stock for oxygenate blending, E85, fuel grade ethanol that meets the ASTM International active standards specification D4806 or D4814, or other product which is suitable for use in the operation of a motor vehicle engine. If you are purchasing motor fuel exempt from tax, mark this box.

**Box B** – *Highway diesel motor fuel* is any diesel motor fuel that is **not** non-highway diesel motor fuel. If you are purchasing highway diesel motor fuel exempt from tax, mark this box.

**Box C** – *Non-highway diesel motor fuel* is any diesel motor fuel designated for use other than on a public highway, and is dyed diesel motor fuel. If you are purchasing non-highway diesel motor fuel exempt from tax, mark this box.

*Diesel motor fuel* is No. 1 diesel fuel, No. 2 diesel fuel, biodiesel, kerosene, fuel oil, or other middle distillate, and also motor fuel suitable for operating a diesel engine. Diesel motor fuel does not include any product specifically designated "No. 4 diesel fuel."

If you are purchasing residual petroleum product exempt from tax, mark this box.

### Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

### To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.
